Dear Investors,

Dear Sir,

In 1996 the govt has proposed the International Airport at Shamshabad.From that day we hear lot of things about that like somebody says that Airport will come or not at shamshabad but finally we reached and the Rajiv Gandhi International Airport opened in 2006.

Rajiv Gandhi International Airport has changed the look of Shamshabad and also they finished the Express Highway work at the same time for the purpose of Airport work. After that Mehdipatnam to Shamshabad PVNR Express highway work also completed.

After Opening the International Airport all the works has been done quickly like Express Highway and PVNR Express Way. At present worldwide knows shamshabad as developed area.

Now Timmapur Railway Station has selected for railway terminal work and this is going to become the Asia's Biggest Railway Terminal in the world. As you all are aware that because of this, HMDA has proposed bigger roads. Theses are the surrounding developments are as follows:

1. From Timmapur to Gangotri to Nandigam Via Shadnagar.
2. From Palmakul to Airport, Palmakul to Shamshabad.
3. Rajendranagar to Express Highway and Express Highway to Chegur.This roads will be connected to Gangotri Green Fields. Because of this construction the area will be going to developed.

In coming days Gangotri Green Fields are going to be the beautiful landmark for our valuable investors.Gangotri Green Fields site development is going on and we are showing a ray and lot of happiness to our customers.

We shall remain ever grateful to you for your trust in us and look forward to your continuous support and blessings in all our future endeavours.

Thanking you and assuring you best service always.
